

AN OVERVIEW OF PANCHAYAT ELECTIONS IN RAJASTHAN-2005

1. INTRODUCTION

The State Election Commission (SEC), Rajasthan was constituted in July 1994 under Article 243 K of the Constitution of India. The SEC is a single member Commission headed by the State Election Commissioner. It has a Secretary who is also the Chief Electoral Officer for the State. The Commission discharges its constitutional duty by way of preparing electoral roles and holding elections for Panchayati Raj Institutions and Municipal bodies.

Elections to Panchayati Raj Institutions (P.R.Is) are being held in Rajasthan since 1960. The first election was conducted in 1960 by the Panchayat Department. Thereafter, the 2nd, 3rd, 4th and 5th elections in the years 1965, 1978, 1981 and 1988 respectively were conducted by the Election Department. The 6th and 7th general elections to the PRIs were conducted by the SEC in 1995 and 2000. The 8th general elections have been conducted by the SEC in January and February 2005.

2. DELIMITATION AND RESERVATION OF SEATS

The task of conducting elections commences only after delimitation of PRIs at different levels and with proper reservation of seats as provided by law. Although order of delimitation of Gram Panchayats based on 1991 census was issued by the government in 1992 but these Gram Panchayats came into existence only after the elections in January and February 1995. Delimitation of constituencies of Panchayat Samities and

Zila Parishads under the new provisions of the Constitution was done in September 1994. Reservation of seats in all the P.R.Is. was also done by the State Government in September 1994. Thereafter, between the 6th and 7th general elections, Zila Parishad Sawai Madhopur was divided into two Zila Parishads- namely Sawai Madhopur and Karauli. The present number of Gram Panchayats in the State is 9188.

3. CONSTITUENCIES

Rajasthan has a three-tier system of Panchayati Raj with 32 Zila Parishads (District level), 237 Panchayat Samities(block level) and 9188 Panchayats (village level, comprising of a village or a group of villages). Each Zila Parishad has territorial constituencies. A Zila Parishad having population upto 4 lakhs has 17 constituencies and in case the population exceeds 4 lakhs, then for every one lakh or part thereof in excess of 4 lakhs, the number of constituencies is increased by two. The 32 Zila Parishads have 1008 constituencies at present.

Similarly, Panchayat Samities also have territorial constituencies. A Panchayat Samiti having population up to one lakh consists of 15 constituencies and in case the population exceeds one lakh then for every 15000 or part thereof in excess of one lakh the number of constituencies are increased by two. The 237 Panchayat Samities are divided into 5257 constituencies at present.

Each Panchayat has been divided into wards. The 9188 Panchayats have 105257 wards at present.

4. ELECTION MACHINERY

CEO: Chief Electoral Officer, who is also Secretary of the State Election Commission, supervises the preparation of electoral rolls and conduct of election in the State under general superintendence, control and direction of SEC.

DEO: For each district in the State, the Commission, in consultation with the State Government, has designated the District Collector as District Election officer (DEO). He coordinates and supervises the work of preparation of electoral rolls and conduct of election under general superintendence, direction and control of SEC and CEO.

ERO: For preparation and revision of electoral rolls, Electoral Registration Officers (EROs) have been designated by the Commission in consultation with the State Government. Assistant Electoral Registration Officers have also been appointed by the Commission to assist the ERO.

RO: For conduct of elections to Panchayati Raj Institutions at different levels, Returning Officers (ROs) are appointed. For election to Zila Parishad members and Panchayat Samiti members Assistant Returning Officers are also appointed to assist the RO.

For elections of Pramukh, Up-Pramukh and Members of Zila Parishads, District Collectors have been appointed as Returning Officer in their respective districts by the Commission. To assist the R.O. more than one Assistant Returning Officer, like ADM, SDM, etc. are also appointed.

The Returning Officers for conduct of election to other Panchayati Raj Institutions viz. Members Panchayat Samiti, Pradhan, Up-pradhan and Panch/Sarpanch and the Assistant Returning Officers for election of Panchayat Samiti members are appointed by the concerned District Election Officers.

PO: For elections to the office of Panchayat Samiti/Zila Parishad Member a five member polling party comprising of one Polling Officer and four Assistant Polling Officers was deputed for one polling booth. Similarly for Panch/Sarpanch election a 5 member polling party as above for a polling booth was deputed. The same polling party has been assigned the task to conduct poll for Zila Parishad/Panchayat Samiti members and Panchas/Sarpanchas. In addition one Returning Officer for a Panchayat to conduct the elections of Panch/Sarpanch/Up-Sarpanch was also appointed at the Panchayat headquarters.

Polling Officers and Returning Officers for Panch/ Sarpanch elections were imparted two trainings. Other members of polling party were also imparted training.

5. ELECTORAL ROLLS

Electoral rolls for Panchayat election have been prepared wards-wise. Qualifying date for the registration as elector in rolls was 1.1.2004. The following four types of electoral rolls have been prepared:-

- (i) Ward,
- (ii) Panchayat,
- (iii) Panchayat Samiti constituency and
- (iv) Zila Parishad constituency.

The electoral roll of all the wards in a Panchayat have been deemed as electoral roll of that Panchayat. Similarly, electoral rolls of all the wards/Panchayats comprised in a Panchayat Samiti/Zila Parishad constituency have been deemed as electoral roll for that constituency.

The electoral roll for wards have been prepared by taking the relevant electoral roll of the State Assembly Constituency as a base, and also by making door to door survey by Enumerators and Supervisors. On the basis of door to door survey, manuscripts of electoral rolls were prepared by enumerators after making necessary additions, deletions and corrections in the State Assembly Constituency rolls. These were then read in Ward Sabha meetings specially organised for the purpose. Draft publications of all the four types of rolls were then made on 07.10.2004 with printed copies. Claims and objections were received up to, 26.10.2004 and rolls were finally published on 30.10.2004.

The Commission has taken steps to ensure the correctness of electoral rolls and issued instructions to the District Election Officers to seek active co-operation of recognized political parties at the time of draft publication. A separate and complete set of finally published electoral rolls was also supplied to every recognized political party. The intention of supplying copies of rolls to the political parties was to invite suggestions for correcting and updating of the rolls.

The Commission issued orders to supply forms for inclusion, deletion and correction of names in the electoral rolls free of cost to the public in order to ensure maximum involvement of the public. Although electoral rolls were prepared and finally published on 30.10.2004, however, the process of inclusion, deletion and correction of entries in the roll is a continuous

process. The SEC has also issued advertisements in news papers for creating awareness in the public so that concerned persons may apply to EROs for addition, deletion and correction in the rolls even after the final publication of rolls. Total electorate for elections of PRIs in the year 2005 are 281.81 lakhs out of which 147.29 lakh were male and 134.52 lakh were female.

6- POLLING STATIONS/BOOTHS

Polling stations are normally set up at Panchayat headquarters. Each Panchayat has a polling station but in case of large number of voters, additional booths are set up. Ordinarily, a polling booth is set up for about 917 voters covering 4 or 5 wards of a Panchayat. A total of 30703 polling booths were set up during these elections. Normally polling stations were established in government buildings.

7. POLLING MATERIAL

Ballot boxes available in the State with the Election Department were used. Forms, envelopes, and stationary articles and books were printed/procured from the government presses and the Rajasthan State Cooperative Press. Indelible ink, symbol blocks and arrow cross seals were purchased from the firms approved by the Election Commission of India. Other necessary articles for the use of polling parties etc. were procured by the District Election Officers at their own level for which budget was allotted by the SEC.

50 types of statutory and non-statutory forms (approximately 100 lacs) and 40 types of envelopes (approximately 20 lakhs) and books for the

use of polling personnel, DEOs and Returning Offices were printed by the Rajasthan State Cooperative Press.

8. ELECTION PROGRAMME

Notification for election of Zila Parishad members, Panchayat Samiti members and Panchas and Sarpanchas was issued by District Election Officers on 11.1.2005. As per the election programme, nominations for ZP/PS member were taken from 11.1.2005 to 13.1.2005. Scrutiny of nomination was done 14.1.2005 and the last date of the withdrawal of candidature was 15.1.2005. For the election of Panchas and Sarpanchas this was done on 30.1.2005 and 3.2.2005 i.e. in two spells in each district. Poll for PS members, ZP Members, Panchas and Sarpanchas took place in two spells in each district. In the first spell, poll for ZP member and PS member was held on 29.1.2005 and for Panchas and Sarpanchas the poll date was 31.1.2005. In the second spell, poll for ZP/PS members was held on 2.2.2005. and date of poll for Panchas and Sarpanchas was 4.2.2005. Election of Up-Sarpanch was conducted on the day following that of election of Panchas and Sarpanchas. In the first spell 4875 Panchayats went to the poll and in the second spell the remaining 4303 Panchayats did so. Fresh poll/adjourned poll was held on 7.2.2005

Elections for Zila Pramukh of all the Zila Parisads and Pradhans of all the Panchayat Samities were held on 10.2.2005. Election for Up Pramukh and Up-Pradhan were held on 11.2.2005.

9. ELECTION SYMBOLS:

Two types of election symbols have been used viz. reserved symbols and free symbols. Reserved symbols are for recognized political party candidates and free symbols for other candidates.

For the convenience of voters and to avoid confusion the SEC has specified separate election symbols for each category of elections. Thus a set of 20 free symbols each were specified for elections to Panch, Sarpanch, member P.S. and members Z.P. Parties recognised as national party by the Election Commission of India are also recognized for the same purpose by SEC for these elections.

10. POLITICAL PARTIES:

Elections of Panchas and Sarpanchas were held on non party basis, while the elections to Zila Parishads and Panchayat Samities were held on party basis.

In case of a candidate set up by a recognised political party in PS/ZP members' elections, he was required to subscribe his nomination paper by one proposer from the same constituency but in case of an independent candidate the nomination paper was to be subscribed by 5 proposers being voters of the same constituency.

11. SCRUTINY OF NOMINATION PAPERS:

Many candidates file their nomination papers in the hope of getting authorization letters from political parties but if they fail to do so and if

their nomination papers have been subscribed by only one proposer, then such nomination paper is liable to be rejected. Due to this provision a large number of nomination papers were rejected. i.e. a total number of 6135 out of 25429 (24.13%) nomination papers were rejected in PS members' election held in 2000, whereas 6188 out of 26533 (23.32%) nomination papers were rejected in 2005. Similarly in ZP members election, 859 out of 4404 (19.50%) nomination papers were rejected in 2000 whereas 1318 out of 5107 (25.81%) nomination papers have been rejected in 2005.

12. UNCONTESTED ELECTION:

In the year 2000 a total 402 PS members and 108 ZP members were elected uncontested, whereas in 2005 election 127 PS members and 39 ZP members were elected unopposed. One seat of ZP member and one seat of PS member remained unfilled in Baran district. One Up Pradhan seat remained unfilled in Anandpuri Panchayat Samiti in Banswara district.

13. BALLOT PAPERS:

Ballot papers for ZP/PS members elections have been printed, after the allotment of symbols, with the names and symbols of the contesting candidates. For the first time, the printing of ballot papers was arranged by State Election Commission through the District Election Officers, by private printing presses in 18 district. Approximately 6.20 crore ballot papers were printed. Paper for printing ballot papers and other necessary material was procured by the Department of Printing and Stationery. The

colour of ballot papers for Zila parishad was yellow and that for Panchayat Samiti members was blue.

For Panch/ Sarpanch election, ballot papers with symbols but without names were printed in advance. For Sarpanch the colour of ballot paper was white, while for Panch it was pink. These ballot papers were serially numbered. Extra slips of ten symbols each on white paper and pink paper were also printed. All the ballot papers for Panch/Sarpanch elections were printed by the Government Presses.

14. BALLOT BOXES

Ballot boxes were properly sealed in the presence of the candidates or their agents. Pink paper seals with mono-print of State Election Commission were printed and used in sealing of ballot boxes. The pink paper seals were also serially numbered and their account was maintained. For ZP/PS member elections, common ballot boxes were used.

15. COUNTING OF VOTES

In ZP/PS members election, counting of votes was undertaken at district headquarters on 8.2.2005. Counting of votes in ZP/PS member election was undertaken after mixing of votes polled at all the polling booths in a constituency. In this way, counting of votes took place in two phases. In the first phase, number of ballot papers in the ballot boxes at a polling booth was ascertained and in the second phase, candidate-wise counting of votes was made.

In Panch/Sarpanch election counting of votes was undertaken normally at the Panchayat Headquarters soon after the poll.

16. FRESH POLL:

Fresh poll/adjourned poll took place at 32 polling booths for PS/ZP member elections in 2005 as against 52 during the elections held in 2000. Fresh poll/adjourned poll in Panch/Sarpanch election took place at 58 polling booths as against 143 booths in 2000.

17. STEPS FOR FREE AND FAIR ELECTIONS:

- (i) **Code of Conduct:** With a view to provide a level playing field and ensuring free and fair elections the Model Code of Conduct for the candidates and political parties was adopted with the agreement of the recognised political parties. The Code was enforced from the day of announcement of election programme, i.e. 27.12.2004 and remained in force till the completion of election of Up-Pramukh/Up-Pradhan. The Model Code of Conduct contains provisions which are basically the same as contained in the Model Code of Conduct prepared by the Election Commission of India.
- (ii) **Law and Order:** The Commission issued directions to the law and Order authorities to maintain public peace during elections. Hyper sensitive and sensitive booths were identified. Sufficient police force was deployed in polling areas and extra police force was deputed in sensitive areas. Zonal magistrates were appointed to keep watch and maintain law and order.
- (iii) **Electoral Offences:** The provisions of electoral offences as provided in the Representation of People's Act, 1951 have been

adopted in the Rajasthan Panchayati Raj Act. Wide publicity was given to these provisions to create public awareness.

- (iv) **Supervision by Observers:** SEC had appointed 40 observers to conduct free and fair general elections during 2005, in the State. The major duties given to these Observers were that they would act as a reliable and independent source for feed back information from the field to the SEC.
- (v) **Entry into polling stations and counting centers:** The State Election Commission strictly banned the entry of unauthorized persons into the polling station and counting centres. Videography, photography and mobile phones were banned in counting hall and at polling station.
- (vi) **Agents:** Contesting candidates in ZP/PS member elections were allowed to appoint election agents and polling agents. SEC restricted the ministers from being appointed as counting agents. Candidates for Sarpanch elections were also allowed to appoint polling agents but a candidate for Panch election was not entitled to appoint any agent.

18. CHANGES IN ELECTION LAW

Some important features of change in this election during 2005 are given below:

- (i) orders regarding Identification of voters.
- (ii) provisions relating to preparations of electoral rolls and right to vote have been made similar to those contained in Representation of People Act, 1951 and Rajasthan Municipal Act, 1959 and rules made their under. However, provisions for vote by post have not been introduced in the Panchayat election.

- (iii) A person who has been found guilty of corrupt practices shall be disqualified to contest election.
- (iv) A person who holds office of profit under an university or corporation, body, Enterprises or cooperative society which is either controlled or wholly or partly financed by the State Government is to be disqualified from contesting the election.
- (v) A person who is under trial before the competent court which has taken cognizance of the offence and framed the charges against him of any offence punishable with imprisonment of 5 years or more is disqualified to contest election.
- (vi) Now State Government can not remove or reduce disqualification or ground of conviction or dismissal from service for misconduct.
- (vii) Restriction on contesting election for more than one seat in a P.R.I.
- (viii) Restriction on simultaneous holding of the office of a Chairperson, Deputy Chairperson or member in a P.R.I and membership of Parliament or State Legislature or municipal bodies.
- (ix) All the provisions of electoral offences under R.P. Act, 1951 have been adopted for these elections. Therefore, offences relating to penalty for failure to observe procedure for voting; prohibition to go armed to or nearby polling stations; grant of paid holidays to employees on the day of poll and restriction on sale, distribution etc. of liquor on polling day have been adopted as electoral offences for these elections also.
- (x) Restrictions on use of vehicles, loudspeakers, posters, banners etc.

- (xi) Staff of any body, corporate, or public undertaking which is established by the State Government or which is established otherwise but controlled, aided or financed wholly or substantially by the State Government can be placed for election duty.
- (xii) Staff who have been deputed for election duty but does not report for duty or does not perform duties assigned to them shall be punishable with imprisonment for a term which may extend to one year or with fine upto Rs. 500/- or with both.
- (xiii) Nomination paper of an independent candidate must be subscribed by 5 proposers being electors of the same constituency in ZP/PS member constituency. However, only one proposer is required in case of a candidate set up by recognised party.
- (xiv) A candidate shall be deemed to be set up by a recognised political party if the party submits authorisation letter for the same before 3 PM on the last date of nomination. Previously, this date was the last date of withdrawal of candidature.
- (xv) Affidavit or self Declaration regarding disclosure of property, liabilities, dues and educational qualifications.

19. COMMISSION'S CONTROL OVER THE ELECTION EXPENSES

As per amendments made recently in the Panchayati Raj Act by the State Election Commission has been vested with the powers to impose restrictions on the use of vehicles, loudspeaker and on displaying of cutouts, hoardings, posters and banners by the contesting candidates. Therefore, the SEC issued directions to fix the maximum number of

vehicles which can be used by the candidates during their election campaign, imposed restrictions for the use of loud-speakers and fixed the amount of maximum expenditure which can be incurred on printing of posters, banners etc. If any candidate violates the above directions, the sub divisional officer of that area may file a complaint against such candidate in the competent court.

20. RESTRICTION ON CRIMINALISATION OF POLITICS

Provisions to disqualify a person to contest election on the ground of conviction exist already but there was no provision to disqualify such persons, who are habitual offenders and serious cases are pending against them in the courts. Therefore, before the elections, on the recommendation made by the SEC an important amendment was made in the Act which provided that if any person is under trial in the competent court which has taken cognizance of the offence and framed charges against him of any offence punishable with imprisonment for five years or more, he will be disqualified from contesting the election.

21. ALTERNATE POSTAL ARRANGEMENT

The SEC made suitable arrangements with Rajasthan State Roadways Transport Corporation to deliver election mail to the District Election Officers. A large number of important directions, circulars, letters are issued by the Commission at the time of elections. When these instructions were dispatched and sent through Post Offices, there was no surety that they would reach all the destinations safely and in time. In this

manner all communications of the Commission issued on any day reached all the DEOs on the following day. This arrangement minimized the use to special messengers and saved considerable government expenditure. This system of delivery by camp bag by RSRTC buses was also adopted by some of the districts for delivery of papers amongst ROs and Tehsildars.

22. SAVING IN ELECTION EXPENDITURE

The SEC effected a huge saving in the estimated expenditure on these elections through various economy measures. The total expenditure in the last elections held in 2000 was Rs. 21 crore. There has been considerable rise in price index since then. The SEC has initially estimated an expenditure of Rs. 27 crore on conduct of these elections.

23. IMPORTANT PUBLICATIONS

After coming into force of the Rajasthan Panchayati Raj Act and Rules 1994, the SEC prepared a number of books for use of offices and polling parties for the elections held previously. Many amendments in law have taken place since then. Therefore, the following books for the use of polling personnel and election related officers have been prepared de-novo:

1. Margdarishka for Returning Officers of Panch/Sarpanch elections and for polling parties.
2. Compilation of important circulars of SEC.
3. Manual of Panchayati Raj Election Law
4. Booklet showing proformas of statistical statements.
5. Model Code of Conduct.

6. Pamphlets showing valid and invalid votes.
7. Statistical report for Panchayat General Election, 2005.
8. List of all elected ZP/PS member with their margin of votes in 2005.
9. List of all elected Sarpanch as in 2005.

24. SOME SUGGESTIONS RECEIVED BY THE COMMISSION

- (i) During the Panchayati Raj Elections, it was felt that the nominations and counting of Sarpanch election should be at Tehsil or Panchayat Samiti head quarter, so that the pressure of work upon polling parties may reduce.
- (ii) While the elections to Panchayati Raj institutions may be in two spells but the polling parties should be separate for each spell.
- (iii) During the Panchayati Raj Elections, some irregularities were noticed due to lack of knowledge of provisions. Thus the training of ROs/AROs and polling personals should be further emphasized.

It is hoped that the publication of this document while providing information to all concerned, will also provoke suggestions for improvement of the electoral process in future.
